The Living PENTHOUSE

A luxury living showroom.

Open to view for a limited season.

CAFE LIGHTING & LIVING

Welcome

we'd love to show you around ...

Set within the luxurious Grand Reve penthouse suite in the heart of Castle Hill, 'The Living Penthouse' is an immersive showroom experience designed to be explored. Wander through architecturally considered spaces featuring a curated selection of our newest furniture, lighting and homeware releases, each brought to life in a complete interior setting. As you move from room to room, discover each space through the senses — sight, touch, sound and scent, with music and fragrance thoughtfully themed to reflect the mood and character of each setting.
